Jahan, Liz,

In reading through the travel vouchers last night (and also the earlier batch), there

are numerous occasions in which it says the administrator will pay to fly himself home to Tulsa from wherever he is.

That raised a question for us: Does he pay out of pocket to fly first class, given the security issues? If not, has the detail raised any concerns about that? If he is required to pay for first class b/c of security, does EPA supplement that cost in any way?

Thanks very much. And good luck with the snow today.
